When nonrelated recipients of general assistance share a single dwelling unit no reduction shall be made in the cash assistance benefits.

The payment of a shelter amount by an otherwise eligible applicant or recipient in excess of the maximum amount specified in this section shall create a rebuttable presumption of ineligibility for General Assistance. The Department of Social Services, upon discovery of noncompliance with the provisions of this section, shall notify such an otherwise eligible applicant or recipient in writing that his failure to comply with the provisions of this section has created a

presumption of ineligibility for General Assistance, which may be rebutted in accordance with the provisions of Section 20.15.

Nothing in this section shall be construed as requiring an otherwise eligible applicant or recipient to accept housing in a facility which is either the subject of a pending nuisance abatement proceeding before a duly authorized agency or department of the City and County or before a court of competent jurisdiction, or which theretofore has been found to be a public nuisance pursuant to any provision of any San Francisco Municipal Code by a duly authorized agency or department of the City and County or by a court of competent jurisdiction.

Section 4. Chapter 20, Article I, of the San Francisco Administrative Code is hereby amended by adding Section 20.15 thereto to read as follows:

Section 20.15. Rebutting presumption of ineligibility for General Assistance.

An otherwise eligible general assistance applicant or recipient may rebut the presumption established in Section 20.14, if such otherwise eligible applicant or recipient, within 10 days from the receipt of the written notice of ineligibility from the Department of Social Services, contacts the department and provides the department with any of the following: (a) A statement in writing signed by such otherwise eligible applicant or recipient under penalty of perjury on a form provided by the Department of Social Services which states that he has made a diligent attempt to find independent or shared housing in the City and County within the maximum amounts allowed under Section 20.14, that he is unable to secure available housing in the City and County within the maximum amount allowed under such section, that he will continue to diligently seek independent or shared housing in the City and County within the maximum amount allowed

1 under such section, and that he will accept independent or shared
2 housing in the City and County within the maximum allowed under such
3 section in the event that such housing should become available;
4 (b) a statement in writing signed by such otherwise eligible appli-
5 cant or recipient under penalty of perjury on a form provided by the
6 Department of Social Services which states that his need for General
7 Assistance is known to be of limited duration because other sources
8 of income and support willinure to him within a specified period of
9 time which shall not exceed sixty days; or (c) a written verification
10 signed by a physician duly licensed to practice medicine in the State
11 of California which states that such otherwise eligible applicant for
12 recipient is unable to undertake a change of residence due to physical
13 condition. The department shall thereupon make a determination as to
14 whether the presumption has been rebutted and if the applicant or
15 recipient is not satisfied with such determination he or she may
16 thereafter request, within ten (10) days of such determination, a
17 departmental hearing to resolve the issue.

SECOND DRAFT

FILE NO. 550-76-1

ORDINANCE NO. 436-77

PROHIBITING THE APPROVAL OF PERMITS FOR THE ESTABLISHMENT OF ANY ADULT THEATER OR ENCOUNTER STUDIO AND PROHIBITING THE ESTABLISHMENT OF ANY ADULT BOOKSTORE WITHIN THE CITY AND COUNTY OF SAN FRANCISCO FOR FOUR MONTHS; PROVIDING FOR DEFINITIONS AND A SEVERABILITY CLAUSE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Purpose and Findings. The Board of Supervisors, after consideration of various alternatives to the regulation and control of the location and operation of adult theaters, encounter studios and adult bookstores and after consideration of other alternatives based upon a report by the City Planning Commission hereby makes the following findings:

A. The City and County of San Francisco is currently in the process of studying the need for and the feasibility of an ordinance which would regulate the location and operation of adult bookstores, encounter studios and adult theaters within the City and County. For the purposes of this ordinance, the following definitions shall apply:

(1) Theater. A building or part of a building intended to be used for the specific purposes of presenting entertainment as defined herein, or displaying motion pictures, slides or closed circuit television pictures before an individual or assemblage of persons, whether such assemblage be of a public, restricted or private nature, except a home or private dwelling where no fee, by way of an admission charge, is charged.

(2) Entertainment. Any act, play, revue, pantomine, scene, song, dance act, or song and dance act, conducted or participated in by one or more persons, whether or not

such person or persons are compensated for such performance.

(3) Entertainment. Continued. "Entertainment" also includes a fashion or style show, except when conducted by a bona fide nonprofit club or organization as a part of the social activity of such club or organization, and when conducted solely as a fund-raising activity for charitable purposes.

(4) Adult Theater. A theater as defined herein which is used more than ten percent (10%) of its presentation time, measured on an annual basis, for the exhibition or display of entertainment which is distinguished or characterized by an emphasis on matter depicting, describing or relating to "Specified Sexual Activities" or "Specified Anatomical Areas" as defined herein.

(5) Specified Sexual Activities.

(a) Human genitals in a state of sexual stimulation or arousal;

(b) Acts of human masturbation, sexual intercourse or sodomy;

(c) Fondling or other erotic touching of human genitals, pubic region, buttock or female breast.

(6) Specified Anatomical Areas.

(a) Less than completely and opaquely covered

(i) human genitals, pubic hair, buttock, natal cleft, perineum, anal region, and

BOARD OF SUPERVISORS

(ii) female breast at or below the aerola thereof; and

(b) Human male genitals in a discernibly turgid state, even if completely and opaquely covered.

(7) Encounter Studio. An establishment to which patrons or members are invited and is so arranged, as to provide booths, cubicles, room or rooms, compartments or stalls wherein an entertainer provides entertainment as defined herein to patrons or members or groups of members or patrons within the aforesaid booths, cubicles, room or rooms, compartments or stalls.

(8) Adult Bookstore. A building or part of a building having as a substantial or significant portion of its stock in trade books, magazines or periodicals which are distinguished or characterized by their emphasis on matter depicting, describing or relating to "Specified Sexual Activities" or "Specified Anatomical Areas" as defined herein, or an establishment which devotes twenty-five percent (25%) or more of its floor or display space to the sale or display of such material.

B. The study undertaken may include, among other subjects, a consideration of the following topics:

(1) Whether, and, if so, the extent to which the location of adult bookstores, encounter studios, or adult theaters within the City and County of San Francisco could produce adverse effects upon surrounding residential areas.

(2) The degree to which the restriction on location of adult bookstores, encounter studios or

adult theaters within the City and County of San Francisco will lessen any adverse effects upon surrounding residential areas.

(3) The means by which an ordinance can regulate the location of adult bookstores, encounter studios and adult theaters in order both to mitigate or eliminate any adverse effects upon any surrounding residential areas and to provide for the reasonable location within the City and County of San Francisco of such enterprises.

(4) Whether, and, if so, the extent to which the concentration of adult bookstores, encounter studios or adult theaters within the City and County of San could produce adverse effects upon the community.

(5) The degree to which the restriction on the concentration of adult bookstores, encounter studios or adult theaters within the City and County of San Francisco will lessen any adverse effects upon the community.

(6) The means by which an ordinance can regulate the concentration of adult bookstores, encounter studios and adult theaters in order both to mitigate or eliminate any adverse effects upon the community and to provide for the reasonable location within the City and County of San Francisco of such enterprises.

(7) The extent to which the location of adult bookstores, encounter studios and adult theaters within the City and County of San Francisco could be accomplished through the use of a conditional use permit

BOARD OF SUPERVISORS

system or with other types of zoning approvals, or whether what is needed is a total prohibition against location of said enterprises within a designated number of feet from one another, or from residentially-zoned areas.

C. In order to provide a reasonable period of time for such study, and for implementation of the recommendations of any such study, and in order to prevent the frustration of the results of such study by the approval of the location of said enterprises which may be in conflict with the regulations which may ultimately be adopted by ordinance, and for the purpose of protecting the public safety, health and welfare, the Board of Supervisors finds that the adoption of this ordinance is necessary.

Section 2. No permit for any adult bookstore, encounter studio or adult theater as defined herein shall be approved for location within the City and County of San Francisco during the effective dates of this ordinance.

Section 3. The Board of Supervisors hereby finds and determines that this ordinance is necessary because to permit the approval of the location of adult bookstores, encounter studios and adult theaters during the consideration of possible adoption of new regulations applicable to such approvals would be in derogation of the benefits to be derived from the study referred to above.

Section 4. This ordinance shall expire by its own terms four (4) months after its effective date, unless sooner terminated or extended by action of the Board of Supervisors.

Section 5. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this ordinance or any part thereof, is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such

BOARD OF SUPERVISORS

decision shall not affect the validity or effectiveness of the remaining portions of this ordinance or any part thereof. The Board of Supervisors hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional or invalid or ineffective.

AMENDING ORDINANCE NO. 391-77 BY AMENDING SECTIONS 3 AND 4 THEREOF, RELATING TO THE SEVERABILITY CLAUSE OF SAID ORDINANCE AND THE FINDINGS AND DECLARATIONS SET FORTH IN SAID ORDINANCE; OPERATIVE AS OF JANUARY 1, 1977.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Ordinance No. 391-77 is hereby amended by amending Sections 3 and 4 thereof to read as follows:

SEC. 3. If the portion of this amendment establishing a tax exemption for small businesses ("Section 5.3. Small Business Exemption") is held to be invalid in whole or in part for any reason, the Business Tax Ordinance shall not be invalid in its entirety but rather shall continue in full force and effect as if said "Small Business Exemption" had never been enacted; and said Business Tax shall apply to small business enterprises, as well as to other taxable businesses. It is hereby declared to be the intention of the Board of Supervisors that the Business Tax Ordinance shall apply to persons engaged in business within San Francisco, even if small business cannot legally be exempted.

SEC. 4. The Board of Supervisors hereby finds and declares that many small business enterprises have left San Francisco in the past three years, that the financial and paperwork burden of San Francisco business taxes, including the Payroll Expense Tax and/or the Business (Gross Receipts) Tax, was a significant factor in such business departures, and that the problem does not exist with larger businesses. The Board of Supervisors further finds and declares that exempting small business enterprises from these taxes would significantly reduce the cost of collecting such taxes, increase the efficiency of collecting said business taxes, and free personnel for more dollar productive activity. This small business exemption accordingly is enacted for the following purposes, among others, namely: to retain within San Francisco small business enterprises which otherwise would depart San Francisco to the detriment of the economy of San Francisco; to encourage the location within San Francisco of needed and useful small business enterprises which will provide jobs and will otherwise contribute to the economy of San Francisco; and to eliminate the administrative inconvenience and inefficiency of collecting business taxes from small business enterprises, as to which, in some cases, the collections costs exceed the revenues collected, and in other cases the collection costs constitute a significant percentage of revenues collected; and to reduce the overall tax burden on small business enterprises which are least able to pay.

Section 2. This ordinance is effective as of January 1, 1977.

AMENDING ORDINANCE NO. 392-77, BY AMENDING SECTIONS 2 AND 3 THEREOF, RELATING TO THE SEVERABILITY CLAUSE OF SAID ORDINANCE AND THE FINDINGS AND DECLARATIONS SET FORTH IN SAID ORDINANCE; OPERATIVE AS OF JANUARY 1, 1977.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Ordinance No. 392-77 is hereby amended by amending Sections 2 and 3 thereof to read as follows:

SEC. 2. If the portion of this amendment establishing a tax exemption for small businesses ("Section 5A. Small Business Exemption") is held to be invalid in whole or in part for any reason, the Payroll Expense Tax Ordinance shall not be invalid in its entirety but rather shall continue in full force and effect as if said "Small Business Exemption" had never been enacted; and said Payroll Expense Tax shall apply to small business enterprises, as well as to other taxable businesses. It is hereby declared to be the intention of the Board of Supervisors that the Payroll Expense Tax Ordinance shall apply to persons employing individuals in connection with their business within San Francisco, even if small businesses cannot legally be exempted.

SEC. 3. The Board of Supervisors hereby finds and declares that many small business enterprises have left San Francisco in the past three years, that the financial and paperwork burden of San Francisco business taxes, including the Payroll Expense Tax and/or the Business (Gross Receipts) Tax, was a significant factor in such business departures, and that the problem does not exist with larger businesses. The Board of Supervisors further finds and declares that exempting small business enterprises from these taxes would significantly reduce the cost of collecting such taxes, increase the efficiency of collecting said business taxes and free personnel for more dollar productive activity. This small business exemption accordingly is enacted for the following purposes, among others, namely: to retain within San Francisco small business enterprises which otherwise would depart San Francisco to the detriment of the economy of San Francisco; to encourage the location within San Francisco of needed and useful small business enterprises which will provide jobs and will otherwise contribute to the economy of San Francisco; and to eliminate the administrative inconvenience and inefficiency of collecting business taxes from small business enterprises, as to which, in some cases, the collection costs exceed the revenues collected, and in other cases the collection costs constitute a significant percentage of revenues collected; and to reduce the overall tax burden on small business enterprises which are least able to pay.

Section 2. The effective date of this ordinance shall be January 1, 1977.

PROVIDING FOR THE REASSESSMENT OF PROPERTY DAMAGED OR DESTROYED BY MISFORTUNE OR CALAMITY, IN ACCORDANCE WITH PROVISIONS OF CALIFORNIA CONSTITUTION ARTICLE XIII, SECTION 2.8, AS AMENDED AT THE ELECTION OF JUNE 4, 1974, AND ARTICLE XIII, SECTION 15, AS IMPLEMENTED BY CHAPTER 901 OF STATUTES OF 1973; REPEALING ORDINANCE NO. 172-75.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Any person who, at 12:01 a.m. on the March 1st immediately preceding the fiscal year commencing July 1, 1977, or who, at 12:01 a.m. on the March 1st immediately preceding any subsequent fiscal year, was the owner of, or had in his possession, or under his control, any taxable property, or who acquired such property after such date and is liable for taxes thereon for the fiscal year commencing the immediately following July 1, which property was thereafter damaged or destroyed, without his fault, by a misfortune or calamity, may, not later than the last day of the fiscal year in which said property was so damaged or destroyed, apply for reassessment of such property by delivering to the Assessor a written application showing the condition and value, if any, of the property immediately after the damage or destruction, which damage must be shown therein to be in excess of five thousand dollars ($5,000). The application shall be executed under penalty of perjury, or if executed outside the State of California, verified by affidavit.

Upon receiving a proper application, the Assessor shall reassess the property according to its full cash value immediately after the damage or destruction. The Assessor shall notify the applicant in writing of the amount of the proposed reassessment. The notice shall state that the applicant may appeal the proposed reassessment to the Assessment Appeals Board within 14 days of the date of mailing the notice. If an appeal is requested within the 14-day period, the

board shall hear and decide the matter as if the proposed reassessment had been entered on the roll as an assessment made outside the regular assessment period. The decision of the board regarding the damaged value of the property shall be final, provided that a decision of the Assessment Appeals Board regarding any reassessment made pursuant to this section shall create no presumption as regards the value of the affected property subsequent to the date of the damage.

If the damaged full cash value of the property as determined above is not at least five thousand dollars ($5,000) less than the full cash value shown on the assessment roll for the year in question, no adjustment shall be made to said roll and no taxes shall be canceled or refunded. Those reassessed values resulting from reductions in full cash value of at least five thousand dollars ($5,000), as determined above, shall be forwarded to the Controller by the Assessor or the clerk of the Assessment Appeals Board, as the case may be. The Controller shall enter the reassessed values on the roll. After being entered on the roll, said reassessed values shall not be subject to review except by a court of competent jurisdiction.

If no such application is made and the Assessor determines that the full cash value of such property for the assessment year is reduced from the full cash value of such property for the immediately preceding assessment year by more than five thousand dollars ($5,000) due to the damage or destruction caused by the misfortune or calamity, the Assessor shall notify the property owner that the property will be reassessed. The Assessor shall assess the property, or reassess it if it has already been assessed, according to the condition and value immediately after the damage or destruction, and the Assessor, if he reassesses the property, shall transmit to the Assessment Appeals Board a description of the property so reassessed, the name of the person making the application in connection with the property,

if any, or the name of the property owner notified of the reassessment and the value of the property as so reassessed. Upon such notice as it may find to be proper, the Assessment Appeals Board shall equalize any such assessment or reassessment.

As used in this section, "damage" includes property which has diminished in value as a result of restricted access to the property where such diminution in value was caused by the misfortune or calamity.

The tax rate fixed for property on the roll on which the property so reassessed appeared at the time of its original assessment shall be applied to the amount of the reassessment determined in accordance with this section. In the event that the resulting figure is less than the tax theretofore computed, the tax shall be determined as follows:

(a) With respect to property on the secured roll a prorated portion of the tax due on the property as originally assessed at the rate established for property on the secured roll for the current fiscal year, such proration to be determined on the basis of the number of months in the year during which the property was in an undamaged condition plus a proration of the tax due on the property as reassessed in its damaged or destroyed condition at the rate established for property on the secured roll for such fiscal year, such proration to be determined on the basis of the number of months in the year in which the property was in a damaged condition, including the month in which the damage was incurred.

(b) With respect to property on the unsecured roll, he shall be liable for a prorated portion of the tax computed on the original assessment of the property and a prorated portion of the tax computed on the reassessment of the property as determined in the preceding paragraph.

Any tax paid in excess of the total tax due shall be refunded to the taxpayer pursuant to Chapter 5 (commencing with Section 5096) of Part 9 of Division 1 of the Revenue and Taxation Code of the State of California, as an erroneously collected tax.

Section 2. ORDINANCE REPEALED: Ordinance No. 172-75 is hereby repealed.

2. He may call upon the City Attorney to maintain an action for injunction to restrain or abatement to cause the correction or removal of any such violation;

3. He may call upon the District Attorney to institute criminal proceedings in enforcement of this Article against any such violation; and

4. He may call upon the Chief of Police and his authorized agents to assist in the enforcement of this Article.

(c) Penalties. Notwithstanding any other provision of this Code, any person, concern, firm, or corporation who violates, disobeys, omits, neglects, or refuses to comply with, or who resists or opposes the execution of any of the provisions of this Article, or any order of the Chief of Division, made pursuant to this Article, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in an amount not exceeding Five Hundred (500) Dollars or be imprisoned for a period not exceeding six (6) months or be both so fined and imprisoned, and shall be deemed guilty of a separate offense for every day such violation, disobedience, omission, neglect or refusal shall continue or be permitted to continue. Any person who shall do any work in violation of any of the provisions of this Article, or any order of the Chief of Division, made pursuant to this Article, and any person having charge of such work who shall permit it to be done, shall be liable for the penalty provided.

Sec. 27.11 Severability

(a) If any section, subsection, subdivision, paragraph,

sentence, clause or phrase of this Article or any part thereof, is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, or other competent agency, such decision shall not affect the validity or effectiveness of the remaining portions of this Article. The Board of Supervisors hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional or invalid or ineffective.

(b) If the application of any provision or provisions of this Code to any lot, building, structure, parcel of land, or operation is found to be invalid or ineffective in whole or in part by any court of competent jurisdiction, or other competent agency, the effect of such decision shall be limited to the property or situation immediately involved in the controversy, and the application of any such provision to other properties and situations shall not be affected.

(c) This Section 27.11 shall apply to very provision of this Article, as the Article now exists and as it may exist in the future, including all modifications thereof and additions and amendments thereto.

Section 2. Notwithstanding any other provision of this ordinance, any Christmas Tree as defined under Section 27.02 of Section 1 of this ordinance which was installed for display in a retail store on or before October 28, 1977, shall be exempt from the provisions of Section 27.03 of Section 1 of this ordinance; provided that any such Christmas Tree shall at all times meet the flammability standards set forth in Subchapter 8, Chapter 1,

10/31/77

Title 19, California Administrative Code. Nothing in this Section 2 shall be deemed to permit any installation, use, maintenance or display of any Christmas Tree or decoration in any regulated occupancy that is otherwise prohibited by any provision of the San Francisco Fire Code in effect on the effective date of this ordinance or any provision of state or federal law.

Section 3. Notwithstanding any other provision of this ordinance, approved electrical decorations and wiring appurtenant thereto which are displayed in a retail store may be installed and maintained on a Christmas Tree or Live Christmas Tree as defined under Section 27.02 of Section 1 of this ordinance, or on other similar decorations; provided, that any such Christmas Tree, Live Christmas Tree or decoration shall at all times meet the flammability standards set forth in Subchapter 8, Chapter 1, Title 19, California Administrative Code; and further provided, that all such electrical decorations and wiring shall be certified as safe for such installation by a licensed electrical contractor at the time of such installation; and further provided, that any such electrical decoration shall be removed within sixty (60) days of the effective date of this ordinance and shall not thereafter be reinstalled. Nothing in this Section 3 shall be deemed to permit any installation, use, maintenance or display of any decoration in any regulated occupancy that is otherwise prohibited by any provision of the San Francisco Fire Code in effect on the effective date of this ordinance or any provision of state or federal law.

Section 4. This ordinance is passed as an emergency measure and the Board of Supervisors does hereby declare by the vote by which this ordinance is passed that an actual emergency exists and that this ordinance be made effective forthwith, the nature of the

emergency being the immediate necessary preservation of the health and safety of the people of the City and County of San Francisco in that

1. Improperly maintained live Christmas Trees and untreated and improperly treated or maintained cut Christmas Trees in regulated occupancies pose an extreme fire hazard endangering the lives and property of occupants, neighbors and the citizens of the City and County of San Francisco and such hazard will continue to exist unless the ordinance becomes effective immediately;

2. The City and County of San Francisco had anticipated adoption by the State of California of additional regulations concerning the treatment, storage, sale and display of live and cut Christmas Trees in regulated occupancies well in advance of the Christmas season, but the State has not as yet adopted such regulations;

3. The enactment of this emergency ordinance is necessary to avoid prejudice to those merchants who would purchase live and cut Christmas Trees for sale or distribution in the City and County of San Francisco before this legislation would normally have gone into effect and who would thereafter find that the trees could not be sold for display in regulated occupancies because of the intervening effectiveness of the ordinance.
